The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for ACCESS Blue Island Family Health Center – Basement & Exterior Renovation in Fiscal Year 2027. The entity to receive funding is Access Community Health Network, located at 600 W. Fulton Street Suite 300 Chicago IL 60661. The project would be used to complete the renovation of the ACCESS Blue Island Family Health Center. This project is an appropriate use of taxpayer funds because it will strengthen a critical safety-net institution that keeps a medically underserved community healthier, more productive, and less reliant on higher-cost care.

The project has a federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
