The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Telehealth Infrastructure and Cybersecurity Enhancement at Chicago Family Health Center- Roseland. The entity to receive funding is Chicago Family Health Center, Inc., located at 9119 S. Exchange Ave., Chicago, IL 60617. The funding would be used to purchase secure servers and related capital information technology equipment necessary to sustain and expand telehealth services. The project is an appropriate use of taxpayer funds because it will improve telehealth services to my constituents, many of whom face barriers to medical care.

The project has a federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
