The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Chicago State University's Quantum Readiness and Cyberinfrastructure Improvement Program in Fiscal Year 2027. The entity to receive funding is Chicago State University, located at 9501 S King Drive Chicago, IL 60615. The funding would be used to modernize Chicago State University's aging campus research network to support 21st century research and education in the Quantum Information Science and Technology field. The project is an appropriate use of taxpayer funds because it will support standards-related research and technology development.

The project has a federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
