The Honorable Chellie Pingree
Ranking Member
Subcommittee on Interior and Environment,
and Related Agencies
Committee on Appropriations

Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for the Grand Prairie Water Commission Alternative Water Source Program: Finished Water Transmission Main D in Fiscal Year 2027. The entity to receive funding for this project is the Grand Prairie Water Commission, located at 150 W Jefferson St, Joliet, IL 60432. The funding would be used for the construction of a water main transmission line to deliver water from Lake Michigan to communities in my district. The project is an appropriate use of taxpayer funds because it will construct and install a new drinking water transmission line to communities at risk of losing access to clean drinking water.

The project has a federal nexus because the funding is provided for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
