The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Community Safety Leadership Academies at The University of Chicago Crime Lab in Fiscal Year 2027. The entity to receive funding for this project is The University of Chicago, located at 5801 South Ellis Avenue, Chicago, IL 60637-5418. The funding would be used to provide Community Violence Intervention (CVI) training for law enforcement officers at the University's Policing Leadership Academy. The project is a good use of taxpayer funds because it will help local, regional, and statewide law enforcement officers reduce violent crime, improve public trust, and improve our criminal justice system.

The project has a federal nexus with section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
