The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Francisco Avenue Pedestrian Access to School in Fiscal Year 2027. The entity to receive funding is Cook County Department of Transportation and Highways, located at 69 W Washington St, Ste 2300, Chicago IL 60602. The funding would be used for design and construction of new pedestrian sidewalks and ADA compliant curb ramps for the Francisco Avenue bridge. The project is an appropriate use of taxpayer funds because it will improve ADA accessibility and transit access for individuals in my community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2), and 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
