The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Efficient Energy Workforce Development Expansion at Kennedy-King College. The entity to receive funding is Kennedy-King College, located at 6301 S Halsted Street, Chicago, IL 60621. The funding will be used to renovate Kennedy-King College's workforce training facilities for the purposes of increasing training capacity. This project is a good use of taxpayer funds because it will increase opportunities for students to acquire in demand trade skills that will increase their earning potential and employment opportunities post-graduation.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2), and 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
