The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Auburn Gresham Shelter Restoration project in Fiscal Year 2027. The entity to receive funding is the Commuter Rail Division of the Regional Transportation Authority doing business as Metra, located at 547 W Jackson Blvd., Chicago, IL 60661. The funding would be used to rehabilitate the Vincennes Bridge on Metra's Rock Island Line. The project is a good use of taxpayer funds because it will increase rider safety when travelling over the bridge, which experienced over 3.7 million passenger trips in 2025.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jonathan L. Jackson".
